

# NEFAS Membership (New or Renewal)

Greetings, NEFAS members and folks who are considering membership.

Membership dues defray the club's expenses and help to build a reserve for major purchases.

We have kept membership dues low to make it affordable to the greatest number of people. However, if you are able to renew at the Benefactor

level, it will allow us to achieve our goals faster.

Please print this page and mail it to our club address or bring it to a meeting with your check.

If you are unsure whether or not you have renewed, please contact [our treasurer](#)
